### Color Projects Warranty and Disclaimer.

**Warranty:** Metro Ready Mix Concrete Inc will only warranty the color consistency throughout the concrete is within close proximity to the color chart. The manufacturers color chart was achieved using their local materials of the concrete mix which will make the color not an exact match. Metro Ready Mix Concrete Inc only warranties the compressive strength if poured within ACI 318 guidelines. Metro Ready Mix Concrete Inc. cannot be held accountable or responsible for surface defects or irregularities due to excessive water on the surface, troweling marks, wet broom marks, excessive water added to the load prior or during pouring out and other finishing problems. No other oral or written statement is authorized.

**Disclaimer:** Metro Ready Mix Concrete Inc will not repair or replace colored concrete that appears to be discolored. Metro Ready Mix Concrete Inc. does not place concrete and therefore cannot be held liable for discoloration from improper finishing techniques. The end user shall determine products suitability and assumes all risk and liability. **Metro Ready Mix Concrete Inc. will not guarantee the color to be an exact match to the color chart or sample.**

The colors on the color chart are developed in a controlled environment using raw materials that are not available in all areas. Also Metro Ready Mix Concrete Inc. doesn't place concrete and has no control over the finish on the product. The product is still in its manufactured state and is subject to change based on the finishing techniques. Therefore, the customer acknowledges that the colors are a close representation of the chart and that Metro Ready Mix Concrete Inc cannot be held liable for finishing techniques which ultimately control the outcome of the finished product, once in place.

It is recommended by color manufactures after finishing to apply a concrete sealer. The UV rays from the sun and natural weathering will occur if not properly cured and maintained.
